# FAQS

To help with the smooth running of your party, set out below are a few of the most frequently asked questions about large parties here at Il Rosso:

## Do I need to pre-order my food?

Yes, all tables of 10 or above are required to pre-order their food. This pre-order is required at least 72 hours prior to your booking time. Please note a pre-order is to ensure we have everything you want in stock, and our Chefs will start cooking your food from fresh as soon as all your party has arrived.

## What time do I need to arrive?

We kindly ask that your party is ready to be seated at the time indicated in your booking confirmation, so we suggest arrival to be 15 minutes before the time of booking. We would also ask you to please notify the restaurant if you are delayed. We will hold your table for up to 15 minutes after your reservation time, however, we are unable to hold a table for any longer without notice, as we do get extremely busy at times and it would be unfair on other customers. We will try our best to accommodate you and provide an alternative table as soon as we can, but please understand that this may not always be easy. If you or your guests are running late, please inform us as soon as possible so that alternative arrangements can be made to accommodate your guests as soon as they arrive.

## Will we all be sat on one table?

Table requests are not guaranteed; large bookings may be split over multiple tables wherein food will be served to each table in turn

## Is there a time limit for each table?

Your table is booked for two hours from the reservation time. Should you require a longer period, please ask at the time of booking, and we will do our best to accommodate your request, however please be aware that this is not always possible..

## Can we split the bill?

We do not split bills for parties, but provide one bill per booking. The amount paid as a deposit will be deducted from the total of the final bill. Party organisers please be aware that you are responsible for the payment of your bill in full.

## Are you able to cater for special requests?

We will always try our best to accommodate special requests made by our customers. Please appreciate that we do get very busy at times, so this may not always be possible. If you are celebrating a birthday or any other occasion and wish to bring your own cake, simply give us a ring and let the restaurant manager know.  
Alternatively, you can leave a note on our reservation system if you are booking online.

## What If I am allergic to certain ingredients or have food intolerance?

If you have any special dietary requirements, please inform a member of staff on arrival, and indicate these clearly on the pre-order form. Our menu descriptions do not list all of the ingredients included in the dish, and all meals are prepared in our kitchen, where other allergens may be present. For this reason, and due to the very nature of our business, allergen traces may be present in the dishes.

## Are there vegetarian dishes available?

Yes, all of our menus have plenty of options for vegetarians and other dietary requirements. Our chefs are also happy to cook you a bespoke dish according to your specific needs if agreed at the time of booking.

## Do you provide highchairs?

Yes, we can supply highchairs; just inform us when making the booking, or alternatively, leave a message in the 'notes' section when booking online.

## Can you warm up milk for my baby/child?

Unfortunately, we are unable to heat up baby food or milk bottles. Your safety is our priority and we wouldn't want to harm you or your child in any way as we cannot guarantee the right temperature for baby food or milk. However, if required, we can bring you a bowl of hot water to your table so that you can heat up your baby food or milk bottles yourself.

## Does your restaurant have disabled access?

Yes, we have disabled access. For specific information, please call us on 01623 623 031
